Certification Regarding Beneficial Owners of Legal Entity Customers

General Instructions

What is this form?

To help the government fight financial crime, federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Requiring the disclosure of key individuals who ultimately own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed by the person opening a new account on behalf of a legal entity. For the purposes of this form, a legal entity includes a corporation, limited liability company, partnership, non-profit, and any other similar business entity formed in the United States.

What information do I have to provide?

This form requires you to provide the name, address, date of birth and social security number for the following individuals (i.e., the beneficial owners):

(ii) An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President or Treasurer).
