#### Fees:

Annual Fee	None
Transaction Fees     Balance Transfer	Either \$5 or 3% of each balance transferred, whichever is greater.
Cash Advance	Either \$5 or 3% of each cash advance, whichever is greater.
Foreign Transaction	1% of the U.S. dollar amount of each transaction made in a foreign currency, in U.S. dollars outside the U.S., or (whether in a foreign currency or in U.S. dollars) with a foreign merchant.
Penalty Fees	
Late Payment	Up to <b>\$40.</b>
Over-the Credit     Limit	None.
Returned Payment	Up to <b>\$40.</b>

How We Will Calculate Your Balance: We use a method called "Average Daily Balance (including new transactions)."

**Loss of the Introductory APR:** If you make a late payment, we may end your Introductory APR for Purchases and Balance Transfers and apply the Purchase and Balance Transfer APR which would apply when the Introductory APR expires.

**Loss of the Employee Rate:** If you are eligible for the Employee Rate Program, you will receive a 18.24% variable APR on purchases and balance transfers. In the event your current employment ends, we will apply the APR then in effect which would apply when the Introductory APR expires, based on your creditworthiness.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights will be provided in your Cardholder Agreement.

\*We add a margin to the Prime Rate to determine variable APRs. We use the highest Prime Rate listed in The Wall Street Journal on the last business day of the calendar month prior to your statement closing date ("Last Business Day") and apply it beginning with the first billing period following the Last Business Day. APRs shown here are based on a 8.50% Prime Rate. For each billing period, the APR may increase or decrease with the Prime Rate. The margin for the APR for Purchases and Balance Transfers is 9.74% to 19.74%, based on your creditworthiness and for Cash Advances is 18.74% to 21.74%, based on your creditworthiness.

NOTICE: A consumer credit report may be requested in connection with this application and subsequent consumer reports may be requested or utilized in connection with an update, renewal or extension of the credit for which application was made. ### Important Information About Procedures for Opening a New Account

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

State Laws Require the Following Notices: California Residents: A married applicant may apply for a separate account. After credit approval, each applicant shall have the right to use this account to the extent of any limit set by the creditor and each applicant may be liable for all amounts extended under this account to any joint applicant. Delaware Residents: Service charges not in excess of those permitted by law will be charged on the outstanding balances from month to month. New York Residents: New York residents may contact the New York state department of financial services by telephone or visit its website for free information on comparative credit card rates, fees and grace periods. New York state department of financial services telephone: (800) 342-3736 and website: www.dfs.ny.gov. Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all credit worthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio civil rights commission administers compliance with this law. Married Wisconsin Residents: Your signature confirms that this credit obligation is being incurred in the interest of your marriage or family. No provision of any marital property agreement, unilateral statement under Section 766.59, or court decree under Section 766.70, adversely affects the creditor's interest unless, prior to the time the credit is granted, the creditor is furnished a copy of the agreement, statement or decree or has actual knowledge of the adverse provision when the obligation to the creditor is incurred. If the credit card for which you are applying is granted, you will notify TCM Bank if you have a spouse who needs to review notification that credit has been extended to you.

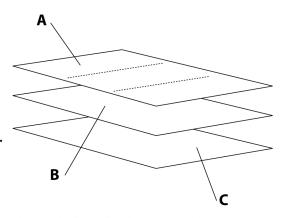

**Applicable Law**: The above rates and fees are governed, as are your Cardholder Agreement and account, by the applicable laws and regulations of the United States of America and to the extent not preempted by federal law, the laws and regulations of the State of Florida.

Balance Transfer Disclosures: You agree to allow approximately 30 days for us to process your application and, if approved, transfer the balance(s) to your TCM account. Please continue to make at least minimum payments on your other credit cards until they notify you that the balances have been transferred. If the amounts you request to be transferred do not satisfy the outstanding balance(s) on the designated accounts, you will continue to be responsible for those balances. The total amount of your credit line. You may not transfer balances from other accounts issued by TCM Bank. Transfer requests to cash or to yourself cannot be processed. The payment and transfer of balances are contingent upon approval by the bank and receipt of complete, legible balance transfer requests.
