**How We Will Calculate Your Balance:** We use a method called "Average Daily Balance (including new transactions)."

**Loss of the Introductory APR:** If you make a late payment, we may end your Introductory APR for Purchases and Balance Transfers and apply the Purchase and Balance Transfer APR which would apply when the Introductory APR expires.

**Loss of the Employee Rate:** If you are eligible for the Employee Rate Program, you will receive a 15.24% variable APR on purchases and balance transfers. In the event your current employment ends, we will apply the APR then in effect which would apply when the Introductory APR expires, based on your creditworthiness.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights will be provided in your Cardholder Agreement.

\*We add a margin to the Prime Rate to determine variable APRs. We use the highest Prime Rate listed in The Wall Street Journal on the last business day of the calendar month prior to your statement closing date ("Last Business Day") and apply it beginning with the first billing period following the Last Business Day. APRs shown here are based on a 8.50% Prime Rate. For each billing period, the APR may increase or decrease with the Prime Rate. The margin for the APR for Purchases and Balance Transfers is 6.74% to 16.74%, based on your creditworthiness and for Cash Advances is 18.74%.
